## Stainless Steel

UKINOX offers sinks in a selection of stainless steel finishes, so whether you prefer the more reflective qualities of the polished finish or the more subtle look of the silk or brushed finishes, which give a more matt sheen, there is a stainless steel solution for you.

# Kitchen Sinks

## color X

Environmentally friendly technology;  
The surface created from a ceramic like inorganic compound that protects against scratches, prevents the bacterial growth and residue, leaves us with a complete confidence in terms of hygiene.

# Kitchen Sinks

## Granite

Granite contains around 80% granite particles which give it its enormous strength and resistance to...

# Kitchen Sinks

## Glass

UKINOX uses a combination of toughened safety glass and stainless steel bowls.

# TOPZERO®

(Patent Pending)

TopZero Seamless Edge Sink is attached flush to the countertop surface for a sleek, vanishing-edge appearance.

With its patented design, TopZero is the only true rimless Flush-mount Sink in the market.

The present invention is directed to a system comprising a rimless stainless steel sink structured and disposed to be integrated to granite, quartz, porcelain, marble or any solid surface.
